OUTDOOR-PAR 7 HEXA

Bright IP65 LED par with 6in1 LEDs

With an IP65 rating, the OUTDOOR-PAR 7 HEXA is resistant to all weather conditions, making raincovers unnecessary. Using 7 x 12 Watt RGBWW (3200K) A + UV, it's a powerful all-rounder for both indoor and outdoor use. With the included omega bracket you simply unhook and use the par as a floor spot.
